# 2010 Camp Gilead Father/Son Fishing Retreat

## June 4—5, 2010

Arrive Friday for dinner and a great Chapel service, wake up early for the Saturday morning fishing derby for boys under age 16. We have stocked the boating pond with over 1000 hungry rainbow trout.

PLUS....100 pounds of trophy size lunkers!! (That's not counting the leftovers from last year!)

Dad's assist their sons during the derby, then may fish following the morning chapel service.

This is a great opportunity to spend some time with your sons!

### Pastor Hayden LeRoy—Speaker

I am to put it simply a life changed by Christ. I grew up as a military kid traveling to many places in the U.S. and overseas in Scotland. In 1990 my family and I moved to the beautiful northwest where I attended Jr. High and High School in the Silverdale/Bremerton area. I grew up at Silverdale Baptist Church and it was there through my Youth Pastor's challenge that I first heard the call from God to be in full-time Youth Ministry. After I graduated, I headed to The Masters College in southern California. It was clear to me that while my parents moved back

to Florida my home was here in the great northwest and so after only a year at Masters I came back home and attended Northwest College in Kirkland and then finished up at Multnomah Bible College in Portland Oregon. I married Colleen, my High School sweetheart in 2000 and we have five boys: Lincoln, Everett, Hewitt, Titus, and Phoenix. We have had the opportunity to be in a variety of ministries and currently I serve at Tabernacle Baptist Church in Shoreline as an Associate Pastor of Youth.
