Meet the Speakers

Retreat #1 Speaker: Nancy Suko (pictured far left, with her daughters and granddaughters) *One of my greatest delights in life involves encouraging women and children to live richly and joyfully for the Lord. I've had many opportunities to cheer others on during the 37 years my husband has pastored Discovery Baptist Church in Gig Harbor, WA and during the 46 years of being a mother to, ultimately, 8 children and soon-to-be 27 grandchildren. No life can surpass a life lived whole-heartedly for Almighty God.*

Retreat #2 Speaker: Stephanie Guzman (pictured at center) *Stephanie Guzman is wife, of almost 24 years, to Randy, and momma to Makayla (23), Brenna (20), Emma (18) and Ryan (16). Currently the Lord is using her to finish their homeschooling journey strong, and to minister at Fellowship Bible Church as a high school girls' leader. Stephanie teaches drama at her homeschool co-op, and runs an in-home daycare.*

She is a fighter, survivor, and desires to be a prayer warrior of mountain moving proportions. Having been poured into over the last 24 years by godly women, it is her desire to use what she has learned to help others in their Christian walk. As a woman who struggles with busyness, her favorite verse is Ps 46:10, "Be still, and know that I am God; I will be exalted among the nations, I will be exalted in the earth!"
